What is Leadership Greater Waterbury?

Leadership Greater Waterbury is a personal and career development program which creates lifelong partnerships and develops community awareness among future leaders in civic, professional and community organizations in the Greater Waterbury area. Its goal is to provide a creative, interactive environment for the participants to meet regional leaders and discuss the challenges that affect Greater Waterbury.

Why Leadership Greater Waterbury?

- Business participants are exposed to multiple perspectives regarding Greater Waterbury’s business & civic arena, community challenges, opportunities and assets.
- Encouraged to volunteer in the Greater Waterbury region.
- Participants are introduced to regional leaders and facilitators from public, private and nonprofit businesses as well as 400+ alumni.
- Personal and business coaching through behavioral assessments provided by Cipriano Training, LLC.

Who Participates?

Lifelong learners with five to 25 years of work experience who are interested in developing their careers, striving to become better leaders and committed to community service.

Commitment to LGW All Leadership Greater Waterbury participants are expected to attend all scheduled program days in order to graduate. Classes will be scheduled as indicated in the Program Overview. Participants in the program will require full support from their employer and acknowledgement of the time required away from their position. In addition, participants collaborate on a self-directed, community-oriented team project, including volunteer commitment.

Leadership Skills Covered:

- Recruiting, Leading and Managing Teams
- Innovation and Change Management
- Communication and Time Management Strategies
- Project Management
- Government Relations/Civic Engagement
- Media and Public Relations
- Presentation Skills
- Board of Directors Development
- Community Involvement

Team Project Responsibilities

- Participants are broken up into groups that create and implement a project that address the region’s pressing issues.
- Each student is responsible to collaborate and contribute on a self-directed community oriented team project.
- Meetings and time commitments are subject to individual team schedules.
- Groups are partnered with past Alumni to assist with project implementation.

“Believe me when I say that this whole thing really turned my whole perspective on what leadership means, as well as what it means to be a part of the Waterbury community. It was worth the hard work.”
—Jordan Kologe, MacDermid Alpha Electronic Solutions
